## **Philosophy & Basic policy**

### **Philosophy**

**We spread, promote and support activities of culture and the arts, so that citizen can deepen ties with local people and region, and realize joyful & heart-enriching lives.**

### **Basic Policy**

- We cultivate the supporting environment for nurturing sensitive and warm heart in young generation who connects culture and the arts to the future.
- We work on various culture and the arts activities, through which many citizens can have ease of the heart and vitality to tomorrow.
- We support citizen's thoughts to play and shine as the leading role in culture and the arts activities.
- We gain knowledge and technology to promote culture and the arts, as a professional organization trusted by citizen.

### **Slogan**

**Connecting bridge between culture and you**
